1st Academic Council Meeting

Venue: JRD Tata Hall, TGPCET, Nagpur

Date and Time: 12.02.2022 at 11.30 am onwards

MINUTES OF THE MEETING

AC.1.1	: Agenda 1: To discuss & approve the Draft copy of Academic Rules and Regulations (UG and PG)
	<p>Discussion held & Suggestions given –</p> <p>1.1.1 Dr. O.G. Kakde has suggested to call Industry based Project as Research / Industry/In-house Internship.</p> <p>1.1.2 Dr. G.K. Awari has suggested to develop separate policy for filling institute level seats (20%) besides Centralize Admission Process (CAP).</p> <p>1.1.3 Dr. A.N. Dabhade has raised a concern related to award of marks in Class Assessment, he suggested to have some marks to assignments & also some incentive marks to students having attendance more than 90% where in after discussion it has been decided that no marks for attendance should be given as an incentive.</p> <p>1.1.4 Dr. S.W. Rajurkar has suggested regarding course outcomes. COs for Theory & Practical of a course should not be separate. Try to map all specified COs using both Theory as well as Practical in combination.</p> <p>1.1.5 Dr. Manish Sanghavi and Dr. Tushar Shende suggested to frame policy to provide special permission to students to continue their 7th semester industry internship in 8th semester as well, on the recommendation of that particular industry based on his good performance.</p> <p>1.1.6 Electives & Minor courses offered should be mostly industry oriented</p> <p>1.1.7 Dr. Shende insisted to avoid internal choice of 100% in Question paper, as student may leave one complete topic.</p> <p>1.1.8 Dr. Kakde, Dr. Shende and Dr. D.S. Bhomik added that policy for students failing in ESE, Re-Sit continuously even after multiple attempts. Permit them to reselect another course in replacement.</p> <p>1.1.9 Dr. Awari has raised a concerned related to methodology for failure students wherein Dean Academics has explained methodology of the institute which consist of remedial classes (minimum two weeks) for students followed by one mock test and then re-sit examination will be conducted. It was accepted by the gathering. Dr. Kakde suggested to allow students to register for Honors/Minors after 1st year itself so that</p>

		<p>they will get enough time to earn required no. of credits.</p> <p>1.1.10 Dr. Kakde and Dr. Shende suggested to think for separate summer term for failure students (which is compact in nature i.e. 45 days) to avoid their academic loss. Dr. Geeta Padole-Gaikwad and Dr. Prahant Kadu mentioned that institute will work on it and it will be added to avoid the academic loss of the students.</p>
		<p>Resolution 1: The Academic Council has resolved to approve the draft of academic regulations made by the institution by adding above suggestions and it can be ratified for further processing.</p>
AC.1.2	:	<p>Agenda 2: Proposed scheme for Award of Degree</p>
		<p>Discussion held & Suggestions given –</p> <p>1.2.1 Every student will have too much flexibility for 90 credits criteria, combinations will be very high & difficult to maintain. Dr. Tushar Shende was having view that choice of 2 courses per semester for Award of Degree is not required. Dr. O.G. Kakde was having view that by such choice of 2 courses, the student's performance evaluation based on remaining courses will be excluded.</p> <p>1.2.2 The criteria for Award of Degree should not be complicated for university too.</p>
		<p>Resolution 2: The Academic Council has resolved to avoid this particular part in order to keep the system simplified.</p>
AC.1.3	:	<p>Agenda 3: Compositions of Board of Studies of all branches</p>
		<p>Discussion held & Suggestions given –</p> <p>1.3.1 Dr. Kakde has raised a concern that Chairman of Board of Studies should be Doctorate person only. In case of IT, senior faculty from CSE can be made BoS Chairman of IT.</p> <p>1.3.2 1st Year UG BoS Chairman and Academic Council Chairman should not be the same person.</p>
		<p>Resolution 3: The Academic Council has resolved to approve BoS and AC compositions made by the institution as per the guidelines of the UGC by inculcating the above suggestions.</p>
AC.1.4		<p>Agenda 4: Scheme of UG and PG (All branches, UG and PG) along with the BoS recommendations in its meetings</p>
		<p>Discussion held & Suggestions given –</p> <p>1.4.1 The Academic Council approves that only the scheme of all semesters (UG and PG) along with syllabus of only 1st year is submitted in this meeting</p>

| | <p>1.4.2 Dr. Kakde has suggested to keep M. Tech students free in second year so that they can focus on their project and even they can have their project in industry or research organization or even in institute.</p> <p>1.4.3 CSE, curriculum should specify academic activity instead of extracurricular activities in UG 8th semester added Dr. Kakde.</p> <p>1.4.4 CSE, instead of directly giving 2 credits in 8th Semester, give 0.5 credits per semester in previous 2nd & 3rd year onwards itself, mentioned Dr. Shende.</p> <p>1.4.5 CSE, in PG 3rd semester why only MOOCs/Swayam restriction? Give some option, MOOC as well as departmental course option. Parallel to MOOCs courses specify in-house courses suggested Dr. Kakde and Dr. Awari.</p> <p>1.4.6 CSE, why PG 2nd semester has Research Methodology in practical, all experts have suggested to convert it in theory. Prof. Pragati Patil informed the gathering that their suggestions will be well taken it will be updated.</p> <p>1.4.7 EE, Smart Grid, Smart metering, Cyber Physical Security, Nonlinear Codes, Dynamic Pricing should be included in Electrical Engineering syllabus added Dr. Kakde.</p> <p>1.4.8 In EE, Electrical Engineering Mathematics is like advanced engineering mathematics specific to electrical engineering better to name it Applied Electrical Engineering Mathematics. So, panel suggested that it should have different code, different paper setting and different valuation.</p> <p>1.4.9 EE, as tutorials are more in the syllabus, make sure that tutorials should be taught like tutorial only and not like regular classes mentioned critically by Dr. Awari.</p> <p>1.4.10 CE, add some courses like Data analytics and sensor application.</p> <p>1.4.11 CE, Change the name of subject Survey-II as Advanced Surveying added Dr. Dabhade.</p> <p>1.4.12 CE, make the specific syllabus for Surveying and Geometrics course added Dr. Shende and Dr. Dabhade</p> <p>1.4.13 CE, add some excel related software in Estimating and Costing, said Dr. Kakde.</p> <p>1.4.14 In IT, Use reverse engineering while designing the course curriculum, first map PO, then design curriculum, according to it make syllabus in new way & not in traditional way, mentioned Dr. Kakde.</p> <p>1.4.15 IT, Salesforce certification program needs to be taken at UG level, if possible, suggested Dr. Awari looking at the popularity of the technology.</p> |
