From Management Desk

DR. MOHAN GAIKWAD-PATIL
Chairman, Gaikwad-Patil Group

With more than twenty years of experience in education system to his credit, established the Gaikwad- Patil Group of Institutions in Nagpur to cater to the quality education needs of the youth in Vidarbha. His early experience of teaching in an engineering college made him acutely aware of the dissonance between engineering education in the country and the requirements of the industry. He therefore began with a dream of starting an engineering college that equips students with knowledge, skills and attitudes relevant to the

industry. That dream has manifested today in the form of two engineering colleges, well known in the region for their constant striving to impart quality and industry-relevant education to their students. Hardly in his early forties, Dr. Gaikwad is the young and dynamic face of the Group. His contagious enthusiasm and unflagging drive is truly inspiring.

**DR. ANJALI PATIL-GAIKWAD**

President Gaikwad-Patil Group of Institutions

With first class post graduate degrees in English Literature, Mass Communication and Sociology, plus M. Phil. in English Literature and now a Ph. D. in English, Dr. Anjali Patil-Gaikwad is an academician of repute. In addition to regular participation and paper presentation in national and international seminars, she has also been organizing international seminars on teaching and learning of English as a Second Language every year. Formerly associated with the Indian Liberal Group, she was the Secretary General of Liberal Youth South Asia, and has extensively toured various countries such as U. S., Germany, Belgium, Nepal, Sri Lanka, UAE, Mauritius, Thailand etc. She was also elected to the Senate of RTM Nagpur University.

**PROF. SANDEEP GAIKWAD**

Treasurer, Gaikwad-Patil Group of Institutions

TulsiramjiGaikwad-Patil College of Engineering and Technology (TGPCET) is one of the best Engineering Institutions in Centre India. To serve this institution as Treasurer is a nice experience for me. Started in the year 2007, the college has made tremendous progress in diversified fields, thanks to the contributions from philanthropists, Technology experts, research centres, dedicated staff and the continuous support of the Board members.

The essence of the life is to live a life for others and die for a noble cause. We at TGPCET express our gratitude for receiving an opportunity to serve the nation. We have a crystal clear vision of enlightening the student brain with sound and technology-rich academic curriculum. We pledge to ensure that the students of TGPCET will not only progress in their respective fields but will also become the responsible citizen by abiding to the rules and will live a disciplined life.

Our college has state of the art facilities for teaching, research and development. The students who have passed out of our college have already proved their mettle in various fields. I request all the students, staff members to enjoy your stay in the campus, contribute positively for the welfare of the institution by moving towards excellence in your chosen field. I personally appeal to all the students to make use of the facilities here and improve their skills so that you will have a glorious career ahead.

I strongly believe in team work, only a good TEAM can bring out excellent results. By TEAM, I mean Together Empowering to Achieve More - so work as a team with good coordination to move towards excellence.

Vice-Principal Desk

**PROF. PRAGATI PATIL**

Vice Principal

Albert Einstein said, "Education is not about learning of facts but training young minds to think." There is a big difference between cramming up facts and learning them so that they can be applied in productive ways. At TGPCET, we try to work towards holistic development of our students by providing them the tools and experiences that encourage our students to think. The aim is to create empowered minds so that students are able to decide what is good for them, differentiate between right and wrong, choose opportunities that help build them up and enable them to live in harmony with all existence. As the Vice Principal, I am delighted that the institute's values align with my own personal values, including the importance of trust, respect, innovation and a sense of community.
