National Service Scheme (NSS) Unit Event Report

Activity:	“Shramdan” Activity based learning [Economical Tree Guards preparation from scrap materials]		
Activity Type/Purpose of Activity:	Social Responsibility	Planned/Unplanned: Planned	Place of Activity: Ground, TGPCET, Nagpur
Activity Date:	9th April, 2022	Target Audience:	Staff & Students
Branch:	B.Tech All Branches	Semester:	1st Semesters
Organizing Department:	TGPCET NSS Unit		
Faculty Convener:	Prof. Arvind Totey and Prof. Praful Randive		
No. of Participant:	80		
Speaker of the program	NA		

Brief Report/Summary of Activity:-

“Shramdan” Activity based learning was conducted by students and staffs of Tulsiramji Gaikwad-Patil College of Engineering and Technology, Nagpur (An Autonomous institute) in which they prepared economical Tree guards from scrap material for tree plantation activity on 9th April 2023. It was organized in open ground, with the strength of 80 students. First year students created economical tree guards from the scrap materials available in the college premises in the supervision of Prof. Arvind Totey, Dean (CSR) and Prof. Praful Randive, NSS coordinator. The entire event was organized by the Department of Science and Humanities in association with TGPCET NSS unit. All the faculty members and students coordinators worked hard to make the program successful.

Objective: The objectives of this program are

- To make the students aware about the utilization of waste material for good cause.
- To make students understand the importance of tree plantation and its impact on environment.
- To make students aware about the importance of their small contribution to the big cause for mother earth.

Outcomes:

- Students created tree guards with scrap materials
- Unutilized scrap material was being used for the noble cause
- Students learned the importance of team work
- Students learned the importance of environment
- Lifelong learning
