Report on ‘Management and Personality Development skills honed by Shivaji Maharaj’.

Name of Department: Science and Humanities

Date: 10th November 2022.

Time: 11 A.M. to 4.00 P.M.

Venue: JRD TATA Hall

Proceedings of the Day

- Lamp Lighting
- College Prayer
- Welcome of Guests by saplings by Prof. Rahul Ingle
- First Session was led by: Hon’ble, Mr. **Mr. Aditya Lohe**
- Felicitation of Guests by Dr. A.V Kale
- Anushka Kamble and Nirmal Wankhade anchored the occasion and Chaitanya Jogi proposed vote of thanks.
- National Anthem.

The function began at 11.00 a.m with welcome of **Hon’ble Mr. Aditya Lohe, a renowned Television and Theatre Artist by the hands of Prof. Rahul Ingle. He threw light on ‘Management and Personality Development skills honed by Shivaji Maharaj’.** He gave an insight into the life of Chhatrapati Shivaji Maharaj and listed his innumerable qualities and skills. He appealed to the students to work towards their goals with perseverance and dedication.

Dr. A. V. Kale hailed “Jai Shivaji Jai Bhawani”, he enchanted the Shivmudrika and explained that just as the moon gradually grows from crescent to full moon, bestowing the earth with its bright shining light, a student should gradually gain knowledge and work in the betterment of the society.

Outcome:

- The Management and Personality Development skills can very aptly learnt by Shivcharitra.
- Students can overcome all hurdles if they know Shivaji Maharaja’s qualities.

Training & Placement Cell

AIM OF PROGRAM:

The aim of a program on "How to Crack the Aptitude Round of MNC" would likely be to provide guidance and strategies to individuals who are preparing for the aptitude round of recruitment processes conducted by multinational corporations (MNCs). Aptitude tests are commonly used by MNCs to assess candidates' numerical, verbal, and logical reasoning skills.

PLACEMENT NOTICE:

Training & Placement Cell is organizing "How to Crack the Aptitude Round of MNC" by Rishi Chourasia, Founder & Director Vikalp Education and Vikrant Joshi, Director Vikalp Education.

Branch: BE (All Branches) Third Year,

MCA (Second Year)

Date: 24rd November 2023,

Time: 2.00 PM

Venue: JRD Hall, Corporate Building TGPCET, Nagpur

NO. OF PARTICIPANTS: 154 Students

OBJECTIVE OF PROGRAM:

Objective of a program titled "How to Crack the Aptitude Round of MNC" is to provide participants with the necessary skills, knowledge, and strategies to successfully navigate and excel in the aptitude round of recruitment processes conducted by multinational corporations (MNCs). Here are the specific objectives of such a program:

Understanding the Aptitude Test Landscape:

- Familiarize participants with the common types of aptitude tests used by MNCs.
- Provide insights into the significance of the aptitude round in the overall recruitment process.

Skill Assessment:

- Help participants assess their current proficiency in key aptitude areas such as numerical reasoning, verbal reasoning, and logical reasoning.

Accredited with NAAC A+ Grade
Approved by AICTE, New Delhi, Govt. of Maharashtra
(An Autonomous Institution Affiliated to RTM Nagpur University, Nagpur)

Training & Placement Cell

Test Format and Structure:

- Explain the format and structure of aptitude tests, including the number of sections, types of questions, and time constraints.
- Provide guidance on how to approach different question types within each section.

Effective Time Management:

- Teach time management techniques to optimize performance within the allotted time frame for each section. Emphasize the importance of pacing oneself throughout the test.

Problem-Solving Strategies:

- Equip participants with effective problem-solving strategies for tackling numerical, verbal, and logical reasoning questions.

Practice and Application:

- Provide ample opportunities for participants to practice with sample questions and exercises.
- Offer realistic mock tests to simulate the actual test environment.

Continuous Improvement:

- Encourage participants to engage in continuous self-assessment and improvement.
- Provide resources and recommendations for ongoing practice and learning.

Confidence Building:

- Boost participants' confidence by reinforcing their strengths and addressing any challenges they may face.
- Offer motivational and psychological strategies to manage test anxiety and stress.

Preparation for Interview Rounds:

- Touch upon the relationship between aptitude test performance and success in subsequent interview rounds.
- Provide insights into how aptitude skills are relevant to real-world job responsibilities.

Training & Placement Cell

OUTCOME OF PROGRAM:

Outcomes of a program on "How to Crack the Aptitude Round of MNC" are centered on participants acquiring the necessary skills, knowledge, and strategies to perform exceptionally well in the aptitude round of recruitment processes conducted by multinational corporations. The ultimate goal is to increase participants' chances of successfully advancing to the next stages of the hiring process. Here are the anticipated outcomes:

- Participants should demonstrate improved proficiency in key aptitude areas, including numerical reasoning, verbal reasoning, and logical reasoning.
- Participants should have a solid understanding of fundamental mathematical concepts, a strong grasp of the English language, and the ability to apply logical reasoning principles to problem-solving.
- Participants should be familiar with the formats and structures of aptitude tests commonly used by MNCs, enabling them to navigate the tests with confidence.
- Participants should exhibit effective time management skills, allowing them to efficiently allocate time to different sections and maximize their performance within the given time constraints.
- Participants should be equipped with problem-solving strategies, enabling them to approach various question types with confidence and accuracy.
- Through regular practice sessions and mock tests, participants should show improvement in their overall performance and address areas of weakness identified during the program.
- Participants should experience a boost in confidence, feeling well-prepared and capable of handling the challenges presented in the aptitude round.
- Participants should perform well in simulated mock tests, reflecting their readiness for the actual aptitude tests conducted by MNCs.
- Participants should understand the relevance of aptitude skills to subsequent interview rounds, positioning themselves as strong candidates for the entire recruitment process.

CONCLUSION OF PROGRAM:

In conclusion, the program "How to Crack the Aptitude Round of MNC" is designed to empower participants with the essential skills and strategies needed to excel in the aptitude round of multinational corporation (MNC) recruitment processes. Through a structured and comprehensive approach, the program aims to prepare participants for the challenges posed by aptitude tests and enhance their overall employability in the competitive job market.

Training & Placement Cell

AIM OF PROGRAM:

The aim of a resume writing session is to create a well-crafted and effective document that highlights your qualifications, skills, and experiences. A resume is a crucial tool in the job search process, as it serves as your personal marketing document when applying for jobs.

PLACEMENT NOTICE:

Training & Placement Cell is organizing "Resume Writing Session" by Rakesh Falke.

Branch: BE (All Branches) Third Year,

Date: 02nd November 2023,

Time: 2.00 PM to 4.00 PM

Venue: JRD Hall, Corporate Building TGPCET, Nagpur

NO. OF PARTICIPANTS: 112 Students

OBJECTIVE OF PROGRAM:

Objectives for a resume writing session, it's important to focus on the specific goals you want to achieve during that time. Here are some sample objectives for a resume writing session:

Define Career Goals:

- Clearly outline short-term and long-term career goals to guide the content and focus of the resume.

Identify Key Accomplishments:

- Compile a list of significant achievements and experiences to showcase in the resume, emphasizing the impact you've made in previous roles.

Select Appropriate Resume Format:

- Choose a suitable resume format (chronological, functional, or combination) based on your career history and the type of position you are targeting.

Craft a Compelling Summary/Objective:

- Develop a concise and engaging summary or objective statement that effectively communicates your career narrative and aspirations.

Training & Placement Cell

Tailor to Specific Job:

- Customize the resume for a specific job or industry by aligning key skills and experiences with the requirements of the target position.

Highlight Core Competencies:

- Identify and emphasize core competencies that align with the job you're applying for, making your resume stand out to potential employers.

Quantify Achievements:

- Incorporate quantifiable metrics and achievements to provide concrete evidence of your contributions in previous roles.

Incorporate Relevant Keywords:

- Integrate industry-specific keywords into the resume to enhance its visibility in applicant tracking systems (ATS) and align with job descriptions.

Ensure Clarity and Readability:

- Focus on clear and concise language, ensuring that your resume is easy to read and understand.

Proofread for Errors:

- Conduct a thorough proofreading to eliminate grammar and spelling errors, maintaining a polished and professional document.

Create a Master Resume:

- Develop a comprehensive master resume that includes all relevant experiences, skills, and accomplishments. From this master version, tailor resumes for specific job applications.

Stay Updated:

- Ensure that the resume reflects your most recent and relevant experiences. Regularly update your resume to align with your evolving career trajectory.

Understand Industry Standards:

- Familiarize yourself with industry-specific resume standards and trends to ensure your document meets current expectations.

Training & Placement Cell

OUTCOME OF PROGRAM:

The outcomes of a resume writing session should ideally result in a polished and effective resume that enhances your chances of securing job interviews. Here are the desired outcomes of a resume writing session:

A well-organized and succinct resume that effectively communicates your professional background, skills, and achievements.

A resume tailored to a specific job or industry, highlighting relevant experiences and aligning with the requirements of the targeted position.

A visually appealing resume with consistent formatting, appropriate fonts, and a professional layout that is easy to read.

A compelling summary or objective statement that captures the attention of employers and succinctly conveys your career narrative and goals.

Integration of quantifiable metrics and achievements to demonstrate the tangible impact you've had in previous roles.

Inclusion of industry-specific keywords to enhance the resume's visibility in applicant tracking systems (ATS) and align with job descriptions.

Emphasis on core competencies relevant to the target job, showcasing your key strengths and skills.

A thoroughly proofread resume free of grammar and spelling errors, reflecting attention to detail and professionalism.

The resume should align with your short-term and long-term career goals, presenting a coherent narrative of your professional journey.

The ability to adapt the resume for various job applications by creating a master resume that can be customized for different positions.

A resume ready to be distributed to potential employers through job applications, networking events, or professional platforms.

Development of a plan for regularly updating the resume to reflect new accomplishments and experiences as your career progresses.

Report on 'Effects of Meditation on Mind and Body'

Name of Department: Science and Humanities

Date: 10th November 2022.

Time: 11 A.M. to 4.00 P.M.

Venue: JRD TATA Hall

Details of the Program:

The programme was followed by a session conducted by **Mrs Jaya Awari**, on the topic '**Effects of Meditation on Mind and Body**' that exclusively focused on the overall well-being of an individual. She explained the 7 chakras in human body and what diseases can be caused due to the malfunctioning of these chakras, she insisted that meditation could help to strike a balance between all the chakras to have a healthy body. Meditation and Sadhana builds a positive aura around the body, which protects from entering of any negative energy and diseases. Students experienced the power of meditation in themselves in the session.

Both the sessions conducted today were highly inspiring and motivating.

The program was chaired by Dr Anil Kale, Principal TGPCET, Prof. Deepanti Pal, Director GPII, Dr. S N Salankar, Director Academics, Prof. Anup Gade, Vice Principal & Dean Academics, Prof. Nadir Husain, HoD Science and Humanities, Prof. Amey Khedikar, Registrar TGPCET, and all teaching and non-teaching faculty graced the function. Anuska Kamble, Anuja Parte and Nirmal Wankhade anchored and Chaitanya Jogi and Gaurav Tumsarkar proposed the vote of thanks.

Outcome:

- To increase concentration, students must meditate at least 30 to 40 minutes daily.

Meditation builds an aura which keeps us protected from negativity.

Report on: Capacity Building Workshop

Date:19/09/2022

Introduction:

The Capacity Building Workshop for non-teaching staff, organized by the Department of Biotechnology and MBA, was conducted in two phases. Phase 1 took place on September 3rd and 4th, 2022, while Phase 2 was held on September 17th and 18th, 2022. The workshop aimed to enhance the skills and knowledge of non-teaching staff members, empowering them to contribute effectively to their respective roles within the institution.

Workshop Sessions:

Phase 1: September 3rd and 4th, 2022

Day 1:

- Inauguration (10:00 AM to 10:30 AM): The workshop commenced with an inaugural session, setting the tone for the two-day event.
- Situational Analysis (10:30 AM to 12:00 PM): Mrs. Madhu Pathania from the Training and Placement Cell led a session on situational analysis, providing insights into understanding and addressing various workplace situations effectively.
- Handling MS-Office and Google Docs (12:30 PM to 02:00 PM): Prof. Chetan Jambhulkar from the Electrical Engineering department conducted a hands-on session on managing Microsoft Office tools and Google Docs, essential for efficient office operations.
- Office Keeping (02:30 PM to 04:00 PM): Prof. Amey Khedikar, Registrar, shared best practices and techniques for office organization and maintenance, emphasizing the importance of a conducive work environment.

Day 2:

- Photography, Scanning, and Printing (10:30 AM to 12:00 PM): Prof. Anup Bagade guided participants on photography, scanning, and printing techniques, enhancing their skills in document handling and image processing.
- Table Etiquettes (12:30 PM to 02:00 PM): Mr. Vivek Kuthe, Manager at Machan, conducted a session on table etiquettes, focusing on professional conduct during official gatherings and meals.

Phase 2: September 17th and 18th, 2022

Phase 2 of the workshop mirrored the structure and content of Phase 1, catering to the remaining non-teaching staff members who did not attend the first phase. The sessions were conducted with the same rigor and commitment to skill enhancement.

The Capacity Building Workshop for non-teaching staff was a resounding success, providing valuable learning opportunities and skill development sessions. The collaborative efforts of the Department of Biotechnology and MBA in organizing the workshop were commendable. Participants gained practical insights and knowledge that would contribute to their professional growth and organizational effectiveness. Such initiatives play a crucial role in fostering a culture of continuous learning and development within the institution.
