Unit Event Report

Activity:	Program on the occasion, "World AIDS Day"		
Activity Type / Purpose of Activity :	Social Responsibility	Planned/Unplanned: Planned	Place of Activity: TGPCET, Nagpur
Activity Date:	1 st December 2023	Target Audience:	Staff & Students
Branch:	B.Tech. All Branches	Semester:	Students and Staffs
Organizing Department:	National Service Scheme and Mechanical Engineering Department		
Faculty Convener:	Prof. Praful Randive.		
No. of Participant:	110		
Speaker of the program	NA		

Brief Report/Summary of Activity:-

Mechanical Engineering Department in collaboration with National Service Scheme of Tulsiramji Gaikwad Patil College of Engineering and Technology Nagpur organized program on the occasion of "World AIDS Day" on dated 1st December 2023 at JRD Tata Hall.

The program began with the traditional lamp lighting ceremony, symbolizing the dispelling of darkness and the emergence of knowledge. This auspicious ritual was conducted by our principal, Dr.P.L.Naktode, along with other dignitaries present at the event. It set the tone for the program, infusing it with positivity and a sense of purpose.

Following the lamp lighting, our principal, Hon.Dr. P.L Naktode, delivered an inspiring opening remark, setting the context for the program. He encouraged each and every one of you to actively participate, ask questions, and share your thoughts and experiences. Let us use this platform to inspire change, promote compassion, and advocate for a world free from the burden of HIV/AIDS.

The celebration of World AIDS Day is an annual event held on December 1st to raise awareness about HIV/AIDS, show support for those living with the virus, and remember those who have lost their lives to AIDS-related illnesses. It is a global initiative that aims to promote education, prevention, testing, and treatment of HIV/AIDS. The celebration of World AIDS Day serves as a reminder of the importance of continued efforts to combat HIV/AIDS and promote a world free from the disease.

Hon.Dr.Shilpa Deshpande, Chief Guest delivered an enlightening and inspiring lecture, highlighting various aspects of awareness of AIDS diseases like various control and prevention methods. The lecture was followed by an interactive session, where students had the opportunity to ask questions and seek guidance from chief guest.

The event was meticulously organized by the NSS and mechanical engineering team comprising dedicated student volunteers and faculty advisors. The team ensured smooth coordination, from arranging the venue and audio-visual setup to inviting the chief guest and promoting the event among students and staff members.

Students expressed their gratitude for the opportunity to learn from a renowned, and many mentioned that the lecture had a profound impact on their understanding of awareness of AIDS.

Students got the chance to participate in poster competition our campus which focused on providing the society with knowledge of HIV-AIDS and reducing its stigma from society.

We would like to extend our sincere gratitude to the management of Tulsiramji Gaikwad Patil College of Engineering and Technology Nagpur for their invaluable support in organizing this NSS program. Their guidance and encouragement have been instrumental in the success of this event. The management's commitment to promoting community service and social responsibility among students is truly commendable, and we are grateful for their continuous support.

The program was coordinated by Prof.Praful Randive,
