7	Mr. Amol Barde	Lecturer, CE	Member Secretary

Grievance Redressal Mechanism for Faculty, Staff and Students:

The Grievance Redressal Cell is constituted to probe into student and staff grievances. It attempts to address genuine problems and complaints of students and staff members, regardless of the nature of the problem. A dedicated email ID **grievance@tgp cet.com** can be used to send online notifications of grievances to the concerned committee.

Students approach the Cell to voice their grievances regarding academic and non-academic matters. The Cell redresses grievances at both individual and class levels, as well as grievances of common interest. Students are further encouraged to use the suggestion box placed on campus to express constructive suggestions and grievances.

Following the directives of UGC and AICTE, the Grievances Redressal Cell is established to handle individual grievances related to students and faculty members, ensuring their amicable redressal promptly.

The Institute's notice board displays the committee members' list, contact numbers, and email IDs, indicating the details of the online Grievance Redressal Portal to ensure publicity and awareness of the establishment of the Grievance Redressal mechanism. Additionally, the committee invites suggestions from employees for improving the working environment and resolving any issues.

Suggestion Boxes are provided near the institute's entrance for students and staff to air their grievances. Complaints are dropped in the 'Suggestion Box' by students and oral complaints are also redressed. All complaints undergo scrutiny by the management and the grievance redressal cell. The Director regularly attends to these daily. The institute also assures students that once a complaint is made, it will be treated with confidentiality.

About Institute

Tulsiramji Gaikwad-Patil College of Engineering and Technology (TGPCET) Polytechnic was established in the year 2013-14 by Vidarbha Bahu-uddeshiya Shikshan Sanstha (VBSS), a registered society. It is a self-financed Private Polytechnic College, which is affiliated Maharashtra State Board of Technical Education (MSBTE) and is approved by All India Council for Technical Education, New Delhi also college is approved by Directorate of Technical Education (DTE), Mumbai, Maharashtra State.

➤ Vision

To emerge as a learning Center of Excellence in the National Ethos in Diploma in Engineering.

➤ Mission

M1 : To elevate the standards of students through ethical practices.

M2 : To provide facilities and services to meet the challenges of Industry and Community.

M3 : To ascertain holistic development of the students and staff members by inculcating knowledge and profession as work practices
