About TGPCET

GPG Management envisioned TGPCET as an extraordinary institution, uniquely blending technology and management disciplines. The core aim was to fuse technical expertise with innovative managerial approaches, with the ultimate goal of nurturing students capable of catalyzing positive transformations in constructing a sustainable and comprehensive society. The underlying concept was to redefine education beyond a mere tool for knowledge acquisition, emphasizing its crucial role in shaping a more compassionate and improved society.

This founding principle continues to be integral to the ethos of TGPCET, and every addition to the curriculum, technological advancement, or research initiative is consistently harmonized with this overarching philosophy.

Vision & Mission

Vision

To emerge as a learning Center of Excellence in the National Ethos in domains of Science, Technology and Management.

Mission

- | To strive for rearing standard and stature of the students by practicing high standards of professional ethics, transparency and accountability.
- | To provide facilities and services to meet the challenges of Industry and Society.
- | To facilitate socially responsive research, innovation and entrepreneurship.
- | To ascertain holistic development of the students and staff members by inculcating knowledge and profession as work practices

OUR INSPIRATION

Late **Shri. Tulsiramji Gaikwad-Patil**
(1st April 1915 - 18th July 1986)

The Gaikwad-Patil Group derives its inspiration from Late Shri. Tulsiramji Gaikwad-Patil, the grandfather of the Chairman of the Group, Dr. Mohan Gaikwad-Patil. A man far ahead of his times, Shri. Tulsiramji Gaikwad-Patil was primarily an agriculturist, but also a true connoisseur with many varied interests. One of his passions was education. This visionary bucked the trend of sending sons into agriculture and ensured excellent education for his children and grandchildren. It was his foresight that took the family from being rural landlords to urban, uber-class professionals and entrepreneurs. It would not be far wrong to say that the real foundation of the Gaikwad-Patil Group was laid by Shri. Tulsiramji Gaikwad-Patil ability to look into the future.

HON'BLE MANAGEMENT

Dr. Mohan Gaikwad-Patil
Chairman, GPG

Mr. Akash Gaikwad-Patil

DEAN'S MESSAGE

Dr. Nitin Chore

Dean, Training & Placement Cell

Dear Recruiters,

It is my pleasure to extend a warm welcome to you on behalf of Tulsiramji Gaikwad-Patil College of Engineering and Technology, Nagpur. We take immense pride in presenting our talented and dynamic students who are eager to make meaningful contributions to your esteemed organization.

TGPCET, with its rich history, has witnessed the graduation of 14 batches, with the most recent one, the Class of 2024, transitioning into the professional realm. Our placement season successfully attracted over 80 esteemed corporations, presenting valuable opportunities for our fresh graduates.

With increasing emphasis being placed on job-ready talent for the industry, TGPCET has taken great care in ensuring the technical brilliance of all its students. All undergraduate students undergo summer training in reputed companies/institutions/organizations as part of their academic curriculum. Specialized electives, industry-oriented certifications, international competitions, and conferences underscore our dedication to cultivating a global mindset among our students, preparing them for the complexities of the globalized technical and business world. I extend sincere gratitude to our recruitment partners for their active participation during the placement season, conducting virtual and physical drives to select our talented students and fortify our human resources.

As we look ahead to the performance of the final-year B.Tech, MCA, and MBA students in the corporate arena, we are confident that they will carry forward the legacy set by TGPCET alumni. We eagerly anticipate nurturing existing relationships and forging new ones with recruiters for a lasting and mutually beneficial partnership.

More information about the institute and the various programs/courses offered to the students is available in the placement brochure. Please feel free to contact the Training and Placement Office in case of any queries.

I look forward to a fruitful and mutually beneficial relationship with your esteemed organization.

A REMARKABLE JOURNEY. NURTURING GREATNESS, AND GREAT CHANGE.

CREATING INDUSTRY READY ENGINEERS

- Mentorship by Faculty: Evaluating strengths, weaknesses, opportunities, and threats and scrutinizing curriculum vitae (CV).
- Collaboration with AICTE for industry certification, and engagement with Edu Skill for comprehensive skills development.
- Conducting mock technical interviews with personalized feedback and thorough analysis.
- Ensuring consistent and obligatory involvement in aptitude tests, coding assessments, and technical evaluations.

HR CONCLAVE

The HR Conclave is a comprehensive and meticulously organized event held regularly at our institute, designed to bridge the gap between academia and industry. This dynamic platform brings together professionals from industries to discuss and share valuable insights on the prevailing themes in human resource management. It serves as an invaluable opportunity for students and professionals alike to engage in enriching dialogues, gain diverse perspectives, and stay abreast of the latest trends and innovations shaping the future of work. The conclave not only fosters knowledge sharing but also cultivates networking and collaboration, enhancing the professional growth of all participants. Through interactive sessions, panel discussions, and keynote speeches, the HR Conclave empowers attendees with the skills and knowledge needed to navigate and excel in the ever-evolving landscape of human resources.

PRAYAS

The PRAYAS Mega Pool Campus Placement Drive, an annual hallmark event organized by the GPGL Group, offers invaluable placement opportunities to students. This initiative, held in collaboration with renowned companies, provides a platform for students from various programs—ITI, Diploma, B. Tech, M. Tech, MBA, and MCA—to connect with potential employers. By participating in PRAYAS, students gain robust industry exposure, showcase their skills, and secure positions in prestigious organizations. This event not only enhances students' career prospects but also provides critical insights into industry best practices, laying a strong foundation for their future professional contributions.
